

Special Education

Prepared by Glenna Gallo, Patsy Milligan

The Legislature has requested the Board report the programs and regulatory functions performed by Board staff during the 2016-17 school year. The Board is required to include an evaluation of which service functions could be passed on to local education agencies, regional service centers, or provided by the Board for a fee, and which service functions should remain at the state level. On or before July 1, please send your Section's completed form to Cybil Prideaux by e-mail (Cybil.Prideaux@schools.utah.gov).
